

# CHESS RULES

1. Which team goes first in chess? \_\_\_\_\_
2. How many squares are there on the chess board? \_\_\_\_\_
3. When setting up, white goes on the 1<sup>st</sup> and \_\_\_\_\_ ranks while black goes on the \_\_\_\_\_ and 8<sup>th</sup> ranks.
4. When setting up, which color square does the Queen go on? \_\_\_\_\_
5. How many pieces does each team have? \_\_\_\_\_
6. On a chess board, there are \_\_\_\_\_ on the bottom and top, and \_\_\_\_\_ on the sides.
7. A \_\_\_\_\_ moves diagonally.
8. A \_\_\_\_\_ moves up, down, and side to side.
9. A \_\_\_\_\_ can only move one square at a time in any direction.
10. A \_\_\_\_\_ is the only piece that can skip over other pieces.
11. A \_\_\_\_\_ moves forward, but attacks diagonally.
12. A \_\_\_\_\_ is the most powerful piece because it can move like a Rook and Bishop combined.
13. When a pawn gets to the other side, it can turn into any piece except a \_\_\_\_\_ or a \_\_\_\_\_.
14. A White King and a Black \_\_\_\_\_ can never touch.
